You will receive a minimum of **75** fully edited digital images as part of your package.

* PASS is a photo sharing application that allows me to share digital files in a secure, online gallery. Your gallery is available to view and download from for 10 years. Through PASS, you can also easily share on social media and order high quality professional prints and products through White House Custom Color.

Payment is due in full at the beginning of our session.

Deposit is non-refundable and must be returned with signed contract in order to be placed on my schedule.

1. Vanessa Welch Photography retains copyright for all photographs, and grants the Client unlimited but non-exclusive rights to use or reproduce the photographs included in the package.
2. The Client grants Vanessa Welch Photography permission to use all images produced from the session for advertising purposes (i.e. website, blog, Instagram etc.)
3. The session begins and ends at the above specified times. If the Client is not ready to begin the session, the Photographer may use her discretion to determine whether the session will continue until the agreed upon End Time or whether the session will be rescheduled (if there is not enough time remaining). Failure to reschedule will result in a loss of the deposit.
4. In the event of unforeseen and uncontrollable circumstances, the Client and the Photographer may each reschedule the session. In such cases, the deposit will be transferred to reserve the new session date. Notice should be given at least 24 hours in advance where possible. If the Client wishes to cancel a session, the deposit is forfeited.
5. Vanessa Welch Photography is not responsible for lost images due to equipment failure. If any such loss occurs, the Client will be refunded the full amount paid to Vanessa Welch Photography.

6. Vanessa Welch Photography selects and edits images in both color and black and white according to her artistic discretion. No unedited images will be released to the client.
7. There is a \$25 travel fee for any session outside of Salt Lake County and Northern Utah County (American Fork and north).
8. Edited images will be received within 2 weeks of session date.
